

PlanetOne POS

The ultimate POS system for your business.

Replace your cash register - and transform your business – with a flexible, affordable solution designed for independent retailers.

PlanetOne POS System helps you streamlining operations and providing your customers with a great satisfaction.

PlanetOne POS – A Reliable System

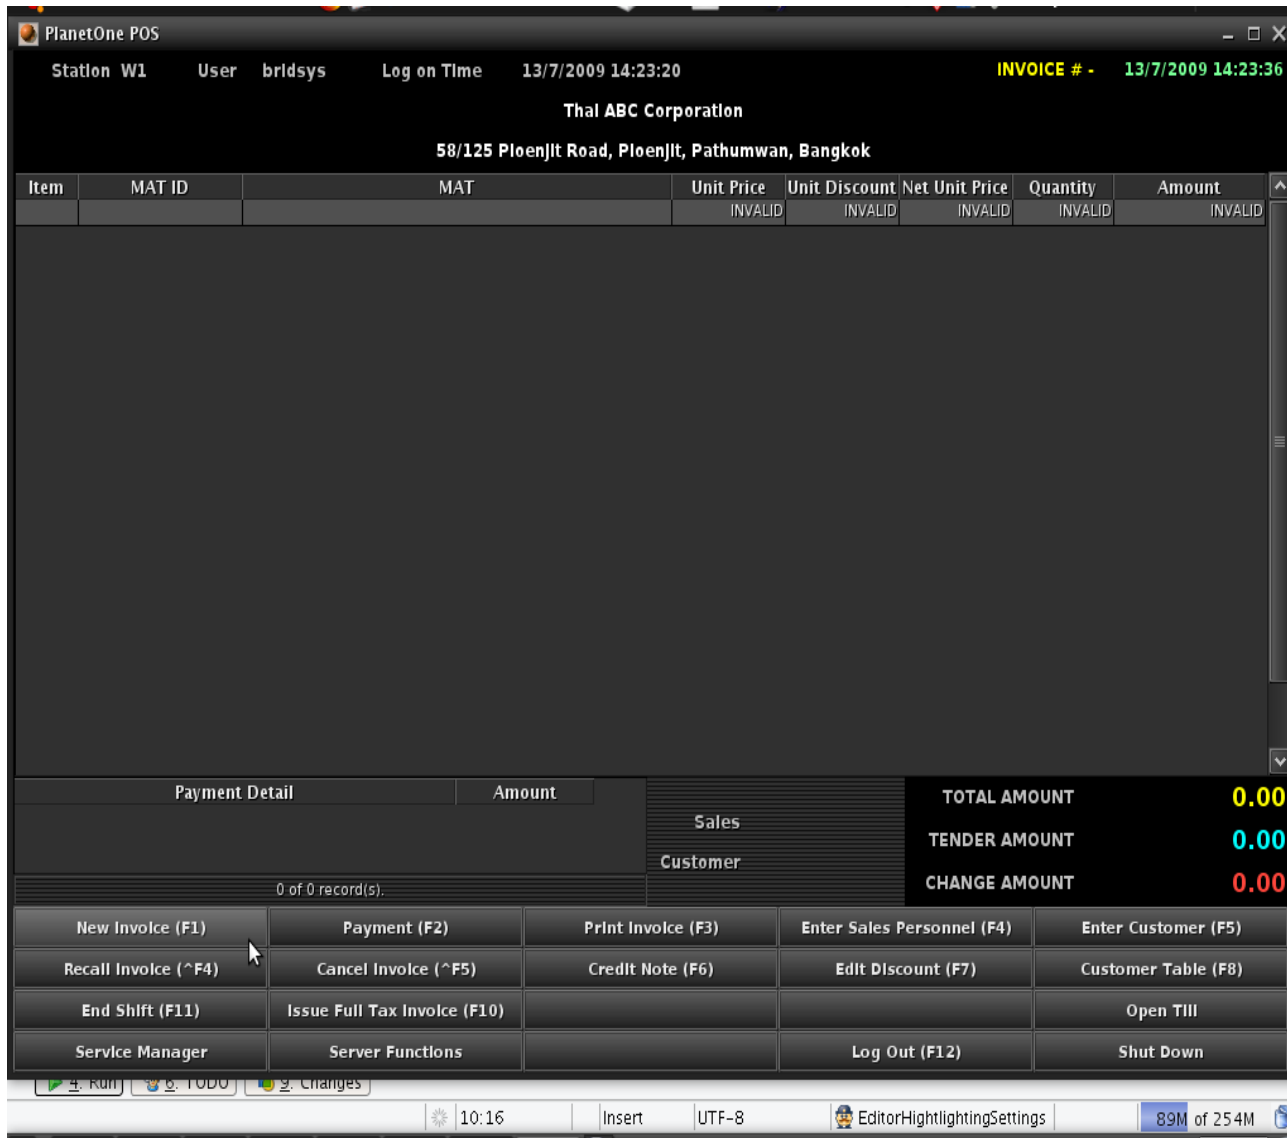

PlanetOne Point of Sale System is the ultimate solution for your retailed business.

With today's high competitive market condition, your business must be able to serve customers with fast, reliable, and impressive service. That is why our PlanetOne POS is designed specifically to accommodate this requirement.

Our PlanetOne POS can seamlessly integrate with our PlanetOne ERP, thus making your business operations easier to manage and your extended branches easier to expand. PlanetOne POS can also accommodate the Electronic Journal, which the customers can apply for with the Revenue Department. The benefit for the customers is that the cost for keeping copied papers is now reduced to zero.

PlanetOne Point of Sale System Benefits include:

1. Easy to use system.
2. Flexible and affordable solution for all types of retailed shops.
3. Seamlessly integrate with PlanetOne ERP.
4. Accommodate any operating systems.
5. Support wide range of peripherals to be used with POS such as barcode readers, printers, cash drawers, etc.
6. Users can easily search the products for their prices, available stock and storage location.

7. The system can accommodate several types of payment methods such as cash, credit card, coupon, Cheque, and combination of payment methods.
8. The system can register your customers to become members and keeping points for each member.
9. The system can also register your sales personnel for each transaction record.
10. The management can maintain tight control over information and improve employee management.
11. You can analyze data with flexible reporting options.

Get started easily and quickly with a solution that 's designed to make your reetailed shop a modern trade.
